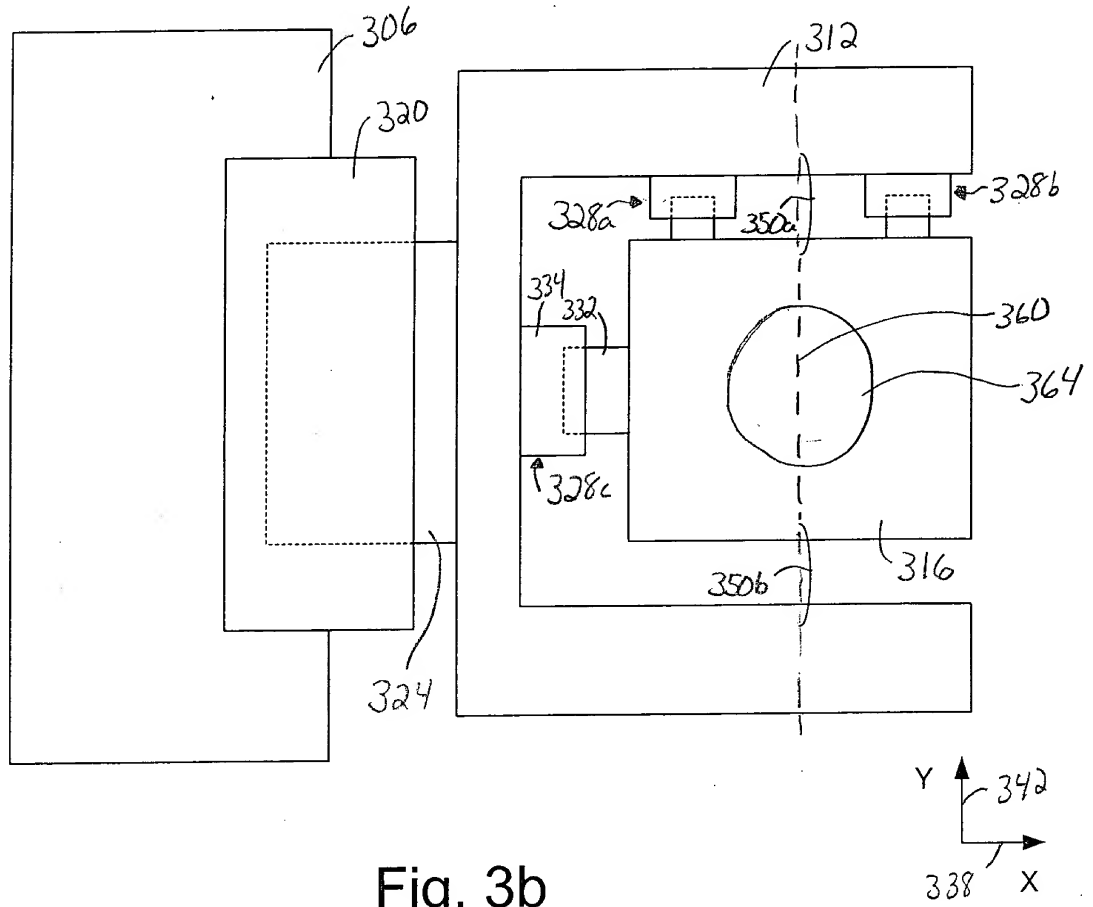

Fig. 3b

FIG. 4 is a graph showing Y Velocity and Y Acceleration versus Time. The Y Velocity graph (top) shows a trapezoidal profile with a constant velocity segment between t1 and t2. The Y Acceleration graph (bottom) shows a corresponding profile with a constant positive acceleration segment between t0 and t1, and a constant negative acceleration segment between t2 and t3. The time intervals are labeled t0, t1, t2, and t3. The Y Velocity graph is labeled 402 and the Y Acceleration graph is labeled 420.
